

SUBMISSION GUIDELINES

First Time Parent Magazine

Rev. (7/24)

Thank you for considering *First Time Parent Magazine*! Our online parenting magazine publishes content for first-time parents on an ongoing basis. To be considered for upcoming editorial placement within our member's area or on our public blog space, please forward all submissions to editor@firsttimeparentmagazine.com

We also accept requests for product features, ads, and member's area giveaways, courses, collaborations, and affiliate partnerships. Additionally, we offer podcast opportunities, celebrity cover interviews, and featured cover stories.

PR/BRANDS:

Please forward pitches relevant to new parents and grandparents, health, clean beauty, maternity and baby/child fashion, decor, healthy recipes, products for children aged 0-5yrs., and expert & celebrity interview and podcast opportunities. For PR, rather than individual brand pitches, please forward your current client list in the following format:

BLOGGERS/AUTHORS:

We accept guest posts and book excerpts for our blog (including birth stories, monthly pregnancy updates, and maternity shoot features). Check out recently published content on our website. We do not presently compensate for content.

To be considered for a guest blog post or upcoming book roundup, please provide the following:

- Original content (minimum 600 words) or a list of topic ideas (we can also suggest topics if you want to share your expertise)
- Applicable photo with photo credit and photographer permission if not CC (for medical or theme-specific imagery only)
- 5-sentence author biography with a website address
- .jpg headshot (optional)
- Limit article links to scientific references or on-topic resources
- Social media links in bio (optional)
- Forward a .pdf version of the book and a medium-resolution .jpg cover image (if applicable)
- Please indicate if media pre-print or hard copy is available

PHOTOGRAPHERS:

Photographic submissions must be tasteful, have express permission for use in print and web by the photographer, and include a model release. Images will not be used outside of the specific prearranged purpose. Photographers may submit photos from newborn photoshoots, nursery designs, other preapproved topics, and images for general placement in an upcoming article. We do not compensate for images but will link to your professional website or gallery if the image is used.
